PORT OF SAINT TROPEZ

Navigation in the harbour

- **Speed**
Maximum speed is 3 knots. Vigilance and courtesy are required due to heavy traffic. It's forbidden to enter the harbour or to work a skip without an engine .
- **Schedule**
It's strongly advised to avoid maneuvering in the harbour from 11h00 to 12h30 and from 17h30 to 18h30.
- **Contact**
DO NOT ENTER the harbour area prior to contacting the Harbour master's office on VHF channel 9.
- **Fire instructions**
In the event of a fire spreading on board, the Captain, the owner, or the watch must immediately inform :
The fire-brigade. Phone : 18
The harbour master's office
Phone : 04.94.56.68.70, VHF channel 9
And attempt to extinguish the fire with any available means
Rapidly remove all inflammable objects which could allow the fire to spread.
- **Quays**
Do not leave on the quays any materials or vehicles, some special areas have been created for this purpose, use them !!!
- **Fuel**
At the station of the green light. Open from 8h00 to 20h00 summer time. Delivery is possible.
- **Water**
As the harbour's water supply is limited, wasting is not allowed. The authorities request that users equip their taps with automatic shut-off nozzles.
- **Wastes**
Garbage pick-up is at 9 p.m. Please have your rubbish well wrapped and on the quay by this time. Quays must then be kept clear until the following morning. Plastic sacks are placed around the harbour for litter but are not suitable for items such as bottles, etc.
- **Pollution**
The city of Saint-Tropez is making huge efforts to avoid pollution. All prohibitors will be persecuted.
- **Wasted oils**
The harbour is equipped with two special tanks for engine oil disposal. Apply to the harbour's master office for use.
